DEER PARK, TEXAS

Deer Park is Open for Business!

August 2020 / September 2020 • VOL. 63

It's Back

BiBi's House of Kabob has a lot to celebrate these days. It is their 11-year anniversary and they recently re-opened their family-owned, Mediterranean restaurant. Located at 3121 Center Street, BiBi's temporarily closed because of damage from an electrical fire, but the restaurant is now fully remodeled and better than ever. Owners Ali and Zeba Karimian chose the name "BiBi's" because it translates to Grandmother, and they wanted to honor both of their grandmothers who taught them the value of fresh, wholesome food. They pride themselves on using only the finest ingredients (MSG-free) and serving home-cooked, healthy food. Stop by soon for either lunch or dinner, or let them cater your next event. You can find the menu on their website at www.BibisHouseofKabob.com, or check out their Facebook page. You can always reach BiBi's at (281) 542-7777.
