

OFFICIAL WET / DRY MAP CITY OF DEER PARK

NOTES
 Dry areas of Deer Park based on the election in December 12, 1956. Prior to the election held in the incorporated city of Deer Park City limits the city was wet. The wet areas shown on the map are from the annexation map that was prepared by Milwee and Associates, Consulting Engineers. The wet areas shown on the map were approved by the city after December 12, 1956 and came into the city as wet. The lines indicated herein are based on Milwee and Associates map indicating the annexations made by the city with the date of the annexation.
