

A message from the Fire Chief:

As the Fire Chief for the City of Deer Park, and on behalf of the firefighters and EMT's serving you daily, I would like to welcome you to the Deer Park Volunteer Fire Department website.

We at Deer Park Volunteer Fire Department constantly strive to stay connected with the public. Through our website, social media channels and personal interaction, we strive to keep you informed about what is going on within our department, and likewise, we welcome any input from you all, the citizens **we serve**.

I am extremely grateful, humbled and proud to lead such an amazing group of firefighters from an organization steeped in such rich tradition and history. Established in 1950 we are quickly approaching and excited about our 75th anniversary...we have come a long way, and it will continue to be my goal to progress this department forward into the future by incorporating new skills, techniques, and today's technology to better serve Deer Park.

I thank you for your continued support and partnership as we advance our fire department, brotherhood and sisterhood. Please know that you are always welcome to reach out to us if you ever have a question or concern as your opinion matters to every one of us, as we are **dedicated to serving you**.

I would like to leave you with one last comfort as a resident or visitor to Deer Park in case you should have to dial 911 -- At my direction each firefighter and EMT under my command will EXHAUST ALL EFFORTS TO MITIGATE YOUR EMERGENCY, WE WILL EXHAUST ALL EFFORTS TO COME FOR YOU, WE WILL EXHAUST ALL EFFORTS TO FIND AND RESCUE YOU. I ask that you do your part to stay safe, and if an emergency arises, WE WILL TAKE CARE OF THE REST.
