**City of Deer Park  
General Conditions of Bidding**

**NOTICE: FAILURE TO COMPLY WITH THESE CONDITIONS MAY RESULT  
IN BID BEING DISQUALIFIED.**

**1. BIDDING**

- A. All bids must be on blank form furnished by the City of Deer Park, and must be written in ink or by typewriter. Pencil quotations will not be considered. Bids must be filed in duplicate and both copies must be manually signed.
- B. Bids should show net prices, extensions and net total. In case of conflict between unit price and extension, the unit price will govern.
- C. No change in price will be considered after bids have been opened.
- D. Cash discounts **will not** be considered in the award of bids, and all quotations must be on a net basis.
- E. This proposal must not be altered. Any erasure or alternation of figures may invalidate the bid on the item on which the erasure or alternation is made.
- F. Quotations **will not** be considered in cases where bidder quotes more than one price on an item, except where alternate bids are expressly called for.
- G. All bids are for delivery no later than the time stated in the specifications. F.O.B the point of delivery stated in the specifications and/or the bid form.
- H. Bidders are invited to be present at the opening of the bids. After opening the bids, bids may be inspected in the Finance/Purchasing office.
- I. Duplicate copies of bids are customarily referred to the Purchasing Coordinator for recommendations to the City Manager. Wherever possible, such recommendations will be made in time to permit City Council to make award at the meeting next succeeding that in which bids were opened and read.
- J. **NEW REQUIREMENT** - Effective for all contracts on or after January 1, 2016, the new Local Government Code 2252.908 enacted by H.B. 1295 requires additional disclosures on all contracts that are approved by City Council or that exceed \$1,000,000. Specifically, Form 1295 – Certificate of Interest Parties – is required prior to City Council approving the contract.

**2. TAXES**

- A. The City of Deer Park is exempt from the Federal Excise and Transportation Tax, and the limited Sales and Use Tax. Unless the Bid form or specifications specifically indicate otherwise, the price bid must be net exclusive of above mentioned taxes, and will be so construed. A

vendor desiring refunds of, or exemptions from taxes paid on merchandise accepted by the City, must submit the proper forms, and the Purchasing Coordinator, if satisfied as to the facts, will approve or issue the necessary certificates.

### **3. AWARD**

- A. The City of Deer Park reserves the right to consider and make awards of bids on articles of similar nature that will in all respects serve the purpose for which the purchase is being made. The City reserves the right to be the sole judge as to whether such articles will serve the purpose.
- B. Unless otherwise specified, the City of Deer Park reserves the right to accept or reject in whole or in part any bid submitted or to waive any informality for the best interest of the City.
- C. Pursuant to Sec. 252.043 of the Texas Local Government Code, the City of Deer Park reserves the right to award the bid to the lowest responsible bidder or to the bidder who provides goods or services at the best value for the City. In determining the best value for the City, the City may consider:
  - (1) the purchase price;
  - (2) the reputation of the bidder and of the bidder's goods or services;
  - (3) the quality of the bidder's goods or services;
  - (4) the extent to which the goods or services meet the municipality's needs;
  - (5) the bidder's past relationship with the municipality;
  - (6) the impact on the ability of the municipality to comply with laws and rules relating to contracting with historically underutilized businesses and nonprofit organizations employing persons with disabilities;
  - (7) the total long-term cost to the municipality to acquire the bidder's goods or services; and
  - (8) any relevant criteria specifically listed in the request for bids or proposals.

### **4. DELIVERIES**

- A. Unless otherwise stated in the Bid form or specifications, deliveries must consist only of new and unused merchandise.
- B. Full tare must be allowed and no charges made for packages.
- C. In the event that the deliveries of the supplies covered in the proposal are not made within the number of days specified, or in the event that the supplies delivered are rejected, and are not removed and replaced within the number of days specified in the official notice of rejection, the City of

Deer Park reserves the right to purchase said supplies in the open market and charge the difference, if any, to the account of the Contractor.

## **5. REJECTIONS**

- A. Articles not in accordance with samples and specifications must be removed by the bidder and at their expense. All disputes concerning quality of supplies or equipment delivered under this proposal will be determined by the Purchasing Coordinator or their designated representative.
- B. All articles enumerated in the proposal shall be subject to inspection on delivery by an officer designated for the purpose and if found inferior to the quality called for, or not equal in value to the Departments samples, or deficient in weight, measurements, workmanship or otherwise, this fact shall be certified to the Purchasing Coordinator who shall have the right to reject the whole or any part of the same.

## **6. BILLING**

- A. All bills are subject to the approval of the Purchasing Coordinator.

## **7. PATENTS**

- B. The contractor agrees to indemnify and save harmless the City of Deer Park, the Purchasing Coordinator, and their assistants from all suits and actions of every nature and description brought against them or any other named city representative, for or on account of the use of patented appliances, products or processes and he shall pay all royalties and charges which are legal and equitable. Evidence of such payment or satisfaction shall be submitted, upon request of the Purchasing Coordinator, as necessary requirement in connection with the final estimate for payment in which such patented appliance, products or processes are used.

## **8. INSURANCE**

The following limits of insurance coverage's will be required:  
Contractor shall maintain, at his sole cost, at all times while performing work hereunder, the insurance coverage set forth below with companies satisfactory to the City with full policy limits applying, but not less than a stated. A certificate evidencing the required insurance and specifically citing the indemnization provision set forth in this Agreement shall be delivered to the City prior to commencement of the work.

## **City of Deer Park**

### **Sodium Orthophosphate Contract**

**April 1, 2026 thru March 31, 2027 with the option to renew for an additional year.**

#### **General:**

This contract shall be for a one (1) year period with an option to renew for one (1) additional year. During this period of time, purchase orders will be issued for the order. The City of Deer Park does not guarantee to purchase any specific quantity of any item listed during the period of this agreement; rather, the quantities may vary depending upon the actual needs of the user.

The City of Deer Park intends to purchase from the contractor any and all of the items listed herein used in the normal day to day operations. The contractor agrees; however, by his participation in the bid process that:

- 1.) The administrative and/or operations personnel of the respective City of Deer Park user shall be the sole deciding agents as to if and when the applications of any particular listed item is appropriate for use in the normal operations.
- 2.) The City of Deer Park may declare an exceptional process situation and/or an experimental testing situation and purchase from another vendor on an emergency purchase basis any similar or identical product, either in addition to or instead of the contract item(s), without prior approval or notification of the contractor. Such purchases for exceptional or experimental situations are to be at no extra cost to the contractor unless the cause of the exceptional or experimental situation is due to the contractor's failure to perform adequately on the contract.

All bidders are required to submit with their bid a Product Safety Information Sheet which meets the Material Safety Data Sheet (MSDS) requirements of the Federal OSHA Hazard Communications Standard 29CFR1910.1200, or such other sheets which contains the same information as required by OSHA.

All bidders must supply the user department, upon request one Certified Analysis performed by a third party independent analytical laboratory and signed by said laboratory's management and analyst. Such analysis is to be used, if deemed necessary by user department, for comparative purpose.

## **TECHNICAL SPECIFICATION**

Sodium orthophosphate shall be designed to control corrosion of metallic piping in water distribution systems for the purposes of quality control. The product must meet NSF/ANSI Standard 60 for use in potable water treatment. Phosphate portion of the product shall be effectively 100% orthophosphate; polyphosphate or blended phosphate solutions will not be considered as equal. Other orthophosphate solutions with alternate cation(s) (e.g., zinc orthophosphate) are not considered as equal.

### **Typical Properties**

- Form Clear, homogenous liquid
- Orthophosphate 30% ± 5% active by weight
- pH, 1% solution 5.6 ± 0.6
- Density 11.0 ± 0.5 pounds (lb.) per gallon (gal)
- Specific Gravity 1.33 ± 0.05
- Turbidity < 2.0 NTU

### **Expected Performance**

Based on demonstration testing, the anticipated dose is 1 milligram per liter (mg/L), leaving an orthophosphate residual of at least 0.5 mg/L in the distribution system.

### **EVALUATION BASIS**

Pricing will be evaluated on a per-million-gallon-treated basis, as follows:

$$C = U \frac{8.345 \frac{\text{lb}}{\text{gal}} 1 \text{mg/L} \cdot 1 \text{MGD}}{P}$$

Where  $C$  is the evaluation cost in USD (\$)/day,  $U$  is the product unit price in \$/pound, and  $P$  is the product purity / strength in decimal form (e.g., 30% = 0.3). This formulation assumes a target dose of 1 mg/L as phosphate and a flow of 1 million gallons per day (MGD). Actual treatment plants flow varies based on demands and are typically higher.

The selected product will be that which has the lowest evaluation cost,  $C$ , while meeting all other criteria detailed herein.

### **ORDERING**

Purchase Quantity: Tote (275 gal / Approximately 3,000 lb.)

Estimated Annual Usage: Approximately 24 totes (6600 gal / Approximately 72,000 lb.)

### **INVOICING**

All invoices must be submitted in duplicate, itemized as to quantity, part number, description and applicable discount (if any). In addition, invoices must show the name of

the department in which the merchandise was delivered and the City of Deer Park Purchase Order Number.

All delivery tickets must have a description of the commodity delivered.

Mail all invoices to the: City of Deer Park Purchasing  
P.O. Box 700  
Deer Park, Texas 77536

### **PAYMENT**

Payment is due thirty (30) days after the City has approved the invoice or after the City has accepted the goods, whichever occurs later. City and contractor agree that the terms of this contract and all rights otherwise reserved by law, shall constitute the sole controlling contract terms with respect to attorney's fees and interest owed on delayed, disputed or delinquent payments in lieu of Article 601f, Vernon's Texas Civil Statutes.

### **SPECIAL NOTE**

The City reserves all rights to review all payments made to contractors by auditing at a later date. Subject to such audit, any overpayments may be recovered from the contractor.

### **TERMINATION OF AGREEMENT**

This contract may be terminated by the City of Deer Park, at its option, upon fifteen (15) days notice in writing, if the materials furnished do not conform to the standard set forth herein; or if the deliveries and servicing of this contract do not conform to the requirements detailed herein.

### **SILENCE OF SPECIFICATIONS**

The apparent silence of these specifications as to any detail, or the apparent omission from it of a detailed description concerning any point, shall be regarded as meaning that only the best commercial practice is to prevail and that only material and workmanship of the finest quality are to be used. All interpretations of these specifications shall be made on the basis of this statement. The bidder shall be an established supplier of the items bid.

**FIRM PRICES ARE TO BE QUOTED FOR A ONE (1) YEAR PERIOD with the City of Deer Park able to extend the rate for one (1) additional year** and shall include freight or any other charges necessary for delivery of the product to the City of Deer Park Water Treatment Plant.

### **DELIVERY**

The contractor agrees to make deliveries only upon receipt of duly signed and approved purchase order issued by the City of Deer Park Purchasing Department. Delivery made without such purchase order shall be at the bidder's risk and shall leave the City the option of cancelling any contract implied or expressed herein.

- Container                    275-gallon IBC totes
- Connection                 2-inch NPT

Deliveries are to be made to the: City of Deer Park Water Treatment Plant  
2117 East "X" Street  
Deer Park, Texas 77536

Or other sites as directed by the city.

Deliveries are to be made within seven (7) days of receipt of the Purchase order and must be delivered with a lift gate.

### **GUARANTEE**

A minimum of one (1) year guarantee on both materials and workmanship shall be provided. The guarantee (warranty) period shall begin the date the City of Deer Park officially accepts the product. Any guarantee work is to be completed within ten (10) days maximum after receipt of equipment or initial notification of a service problem.

### **WEIGHING**

The weight of the material shall be ascertained from the Certified Weight Ticket attached to the bill of lading from the originating line. The City reserves the right to re-weigh at the nearest available certified scales and adjust the cost accordingly.

Actual dry weight shall be determined by using the attached Schedule "A" formula for dry basis computation and chart No. 1. The dry weight calculated by this method shall be the basis of payment.

### **QUALITY**

The materials to be supplied under these specifications shall contain no mineral or organic substances in quantities capable of producing deleterious or injurious effect upon the health of those consuming the water which has been treated with it and shall be technical grade quality and shall contain a minimum of 67% P205 on an ignited basis. The material must meet AWWA Specifications Standard B-502-78.

### **NON-DELIVERY PENALTY**

The successful bidder, as contractor, shall warehouse a sufficient supply of the material to meet the reasonably scheduled requirements of the City. The contractor agrees that, if, for any reason, at any time, he shall be unable to deliver the materials in the quantity and/or quality ordered by the City under these specifications and after having been notified to make such delivery shall fail to do so, then the City of Deer Park shall have the right to purchase such material wherever available and charge any difference in the delivered price to the account of the successful bidder.

## **LOCAL STOCKS AND WAREHOUSE FACILITIES**

In order to receive bid award consideration, the bidder shall maintain sufficient stocks to fulfill normal City of Deer Park requirements. The bidder must demonstrate that they are able to secure any item within a three (3) day period. Six (6) hour delivery service may be required in some instances; therefore, the bidder must be able to provide such service. An inspection will be made to see whether the bidder actually has in his stock or his local warehouse items on which he has bid. Adequate stock inventory for the City's requirements shall be considered a factor in determining an award. "Local" means within a fifty mile straight line radius (air miles) from the Harris County Court House, 201 Fannin, Houston, Texas.

## **NOTE**

All Chemicals used in the treatment of water supplied by public water systems must conform to American National Standards Institute/National Sanitation Foundation (ANSI/NSF) Standard 60. All bidders and suppliers are required to furnish this information to the City of Deer Park with their bid and prior to delivery.
